Dear Community Leader:

We are the Chinese Service Center USA, a non-profit organization serving the Bergen and NYC communities for over 35 years.

This year, we have organized the Mid-Autumn Festival in Bergen County. This event will be held at the Fort Lee Community Center (FLCC), located at 1355 Inwood Terrace, Fort Lee, NJ, on September 22, 2007 from 5:00pm to 9:00pm. The event is a celebration of the Chinese moon festival and will be highlighted by numerous exciting performances from some of the best performers in the area including Chinese acrobat, Chinese Opera, Chinese Orchestra, Lion Dance, Folk Dance, Paper Cutting and many more..... The performance will begin at 6:30pm.

Besides the cultural performances, there will also be booths set up for the businesses to promote their products/services to the general public. We have also invited different Chinese Schools from Bergen County, Orange County, Rockland County and NYC to take the opportunity to promote their schools.

We expect this event to have over 750 attendees. In case of rain, FLCC has the facility to host the event within the building as well. With beautiful lanterns as a backdrop and neighborhood restaurants serving food, everyone will be in a great mood for a fun and memorable evening.

We are reaching out to you to participate as a sponsor of this event. Via this event and the circulation of our event brochure, we expect to reach over 3000 residents of Fort Lee and nearby Bergen County and New York City community members, especially Asian/Chinese-Americans and those with an interest in Asian/Chinese cultures. We would appreciate if you can send your response by September 5.

If you have any questions, please give us a call at 201-262-8891. Thank you for your support.

Sincerely yours,

Dr. Bao-wen Yang
