Chinese Service Center (CSC) is the parent organization of Bergen Chinese School & Bohua Chinese School, and sponsors Columbia Chinese School and the Chinese Summer Camp. We are a non-profit organization that promotes Chinese culture and language. We believe in strength in diversity and circles of excellence. We sincerely and warmly invite you to join us as life-longer learners and become volunteers by applying what we learn, give back to the community and develop the next generation leaders. We are passionate about our mission!

We support many Chinese school activities and public events. Our schools are the only schools without charging mandatory membership fee. We rely on generous donations and fund raising to support our schools. We encourage you to become the “Due Paid” members to help us offset the administrative cost and event expenses. Please fill out the membership form and drop it off along with checks/cash to Sharon Ma at the HMS cafeteria or send it to P.O.BOX 8122, Paramus, NJ 07652.
