The CSCUSA trustee board, elected from volunteers, governs the organizations it sponsors. It provides corporate, legal and tax administration services as well as fund programs where needed including oversees the operation of the schools, gives guidance to the schools, fund raising for the schools, helps secure the school location, handles payrolls, insurance, filing taxes, maintaining the non-profit organization status and any government issues related to our schools.

We always need extra help from volunteers. Please contact us and get involved by joining us or your PTA.

We also need support financially to balance the administration costs. We would like you to support CSC by becoming a due paying Associate Membership which not only entitle you to be elected as a "Regular Member" but you will also receive discounts when you participate in CSC events. Please sign up by filling out the form on the back.
